Foreword

This is your book . . . the 1957 Panther . . . and in it is the story of Paschal High School. It is a volume filled with memories of fun, with influence of an honor system, and with values offered by a public school democracy. In this 1957 chapter you will see you and your friends as you portray the true spirit of Paschal High School.

It is the hope of the Panther staff that this book will instill in you, the students, an undiminishing pride in your school as well as a reflection of your high school days.

Charles,
You deserve the best in life and I know you will get it. It's been fun being with you ex English Class. I hope you get everything you want.
Nikki Rasken

P.S. As I said Larry, I hope Linda hasn't caused you too much trouble this year.

Charles,
It has been loads of fun in geometry this year. May you always have the best in your future life.

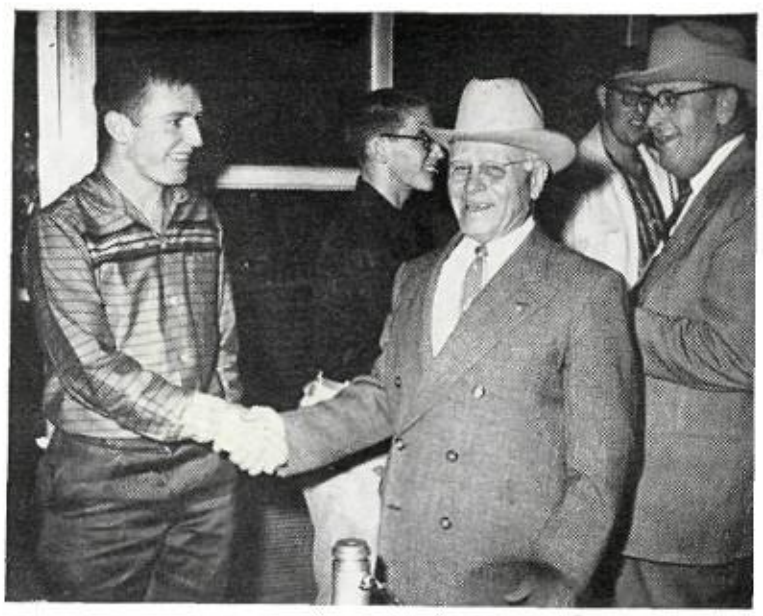
An ardent fisher, our principal indulges in his favorite hobby, accompanied by two of his grandsons.

Mr. Wyatt promotes the friendly atmosphere of Paschal as he talks with a student.



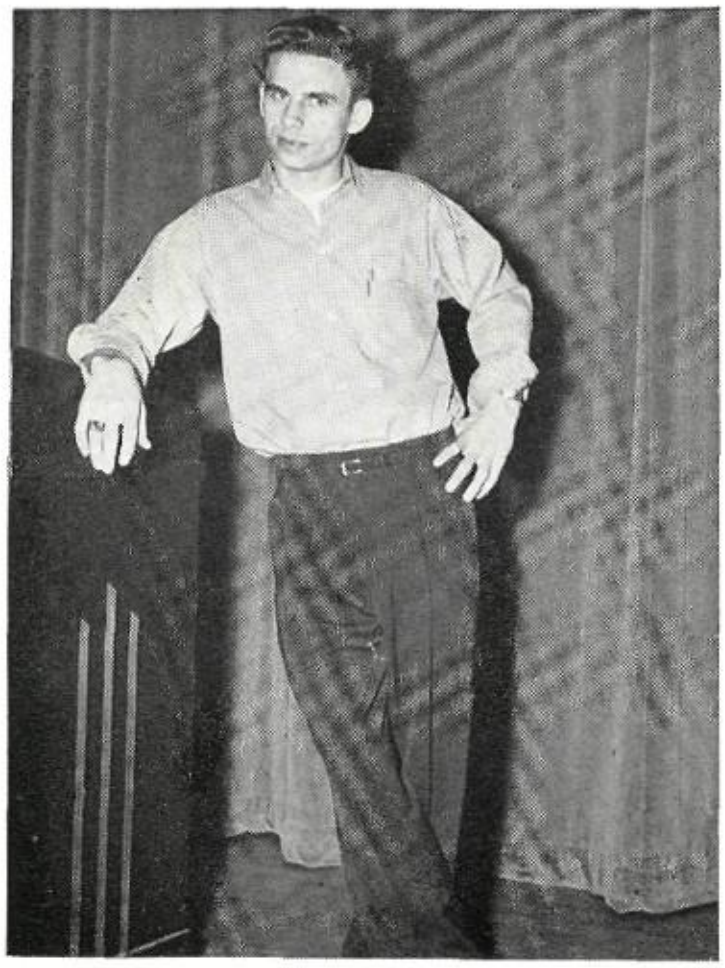
Paschal prexy with the aid of Mrs. McCullough undertakes his daily responsibilities as a high school principal.

Dedication

The 1957 annual staff dedicates this edition of the Panther to one whose love of Paschal is foremost in his actions.

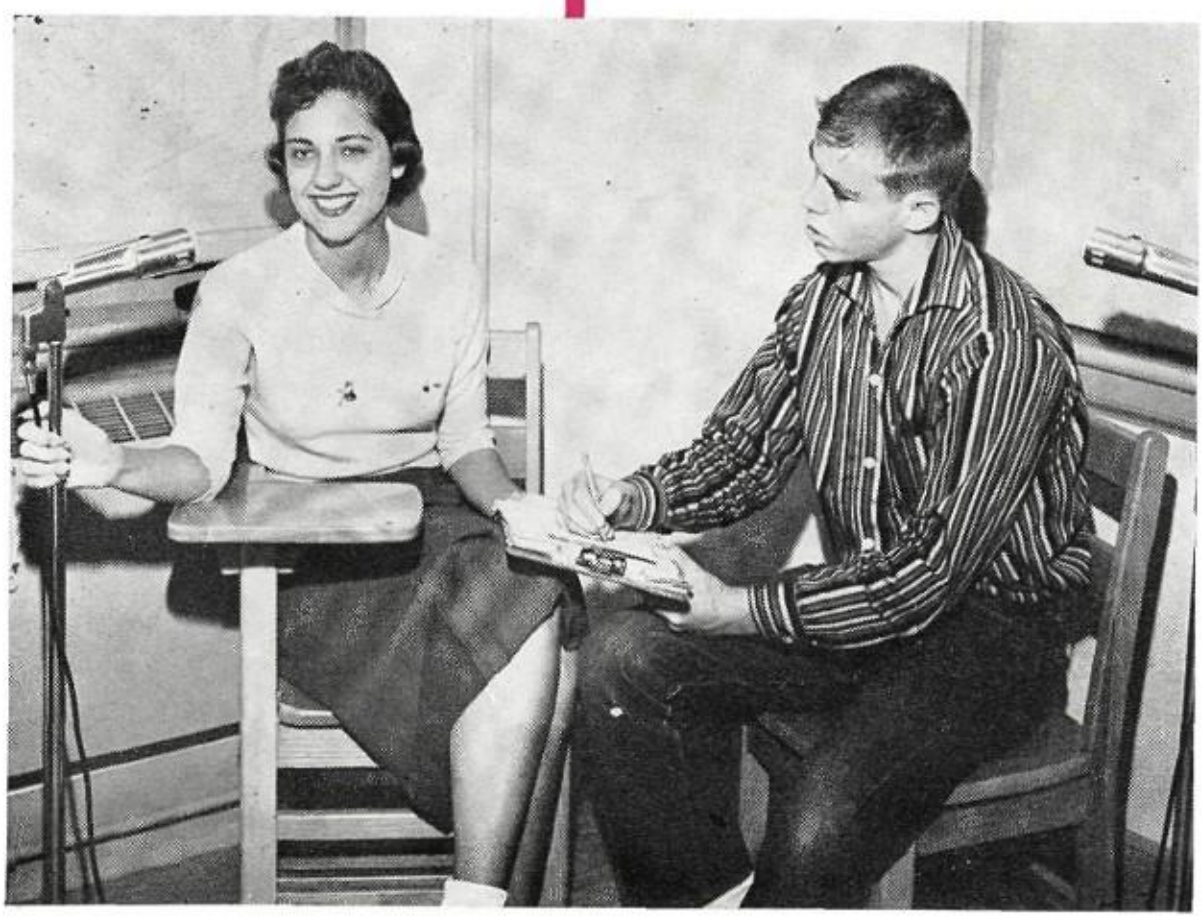
Since 1941 Paschal students have been influenced by their principal, not only through his work for our honor system, but as a worthy friend and counselor. His untiring spirit and optimistic outlook have been an impelling force for good during the past sixteen years.

Therefore, to Mr. O. D. Wyatt, beloved by students and faculty, we proudly dedicate the 1957 Panther.



Student Body President, Russ Bloxom, serves Paschalites in a friendly manner as he guides them in their activities.

Her qualities of leadership and pep help Karen Haun to represent Paschal capably as Student Body Secretary.



Teamwork makes a job easier and more interesting according to our Student Body Reporter, Chrissie Zethraeus, and Student Body Vice-President, Harry Lynd.

Royal Purples

The students in the Royal Purple pages of this year's PANTHER are chosen because of their participation and attitude in activities, scholarship, and athletics, for it is through their accomplishments in these fields that teachers and other students know them. We strive to acknowledge not only those who have gained recognition in their fields, but also those who have accomplished many uncredited but deserving achievements. The students, nominated by the faculty, represent every type of student.

It is, indeed, an honor to be selected for this particular part of the Favorite Section when one stops to realize that the number must, of necessity, be narrowed down to twenty students out of a group of seventeen hundred. The selection of ROYAL PURPLES has become a tradition, which the staff sincerely hopes will continue in future years.

Thus, the 1957 PANTHER presents the ROYAL PURPLES.

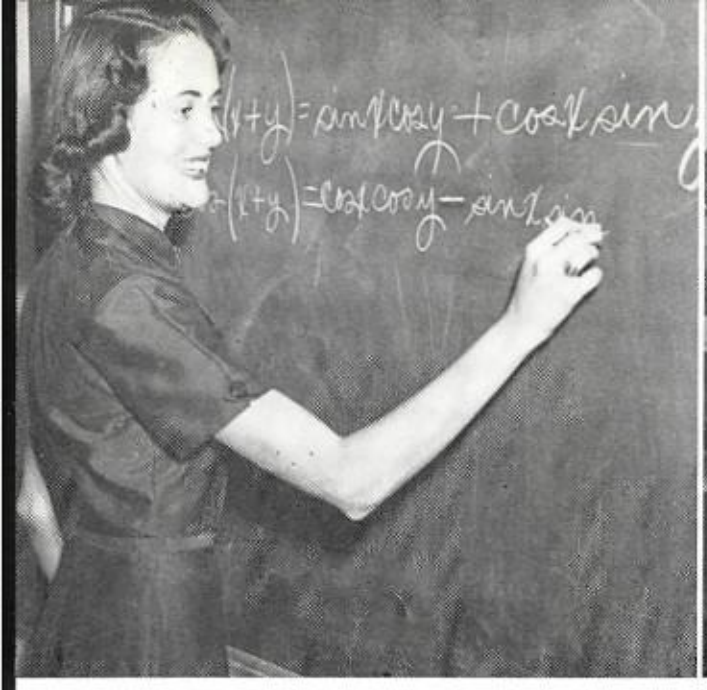
ANN BAKER—because she has been the power behind so many of Paschal's organizations and programs; because she has been on the Steering Committee and Student Service Council for three years; because she represented Paschal in 1956 in Austin at Girls State; because she was Reporter of her Junior Class.

BILL BLACK—because of his untiring efforts to the Science Department; because he was an officer of the Photography Club and of the Science Club; because he has given more than the required amount of time in demonstrations of a chemical nature for the Science Club before school at the majority of their meetings; because he was a finalist in the National Merit Scholarship Contest.

RUSS BLOXOM—because he has been an outstanding leader and a living example of the honor system for his three years at Paschal; because he was the President of his Sophomore Class and Vice-President and Favorite of his Junior Class; because he has been active on the Steering Committee and Student Service Council for three years; because of the initiative displayed by Russ in having his own Radio program; because he has done an excellent job for his Speech Class as technician; because he was President of the Student Body this year.

TALMAGE CAMPBELL — because he has coordinated the Pantherette Staff of 1956 both fall and spring, in such a manner that it has remained one of Paschal's proudest assets; because of the talent in acting he has displayed in numerous Paschal programs; because he was an active member of Vagabonds for two years and an officer this year.

DAN GURLEY—because he has set many examples of good sportsmanship in sports and in every day living; because as a sophomore he was elected to represent Daggett on the Steering Committee and was favorite of his class; because he was active in football, basketball, and track for three years and one of the Tri-captains of the bi-district football team this year; because he was vice-president of the Student Council and president of the Senior Class.



CAROLINE HARRIS—because good grades and Caroline are synonymous; because she added color to Paschal's pep rallies and half-time activities at the football games by being a charter member of the Pom Pom Girls; because she has been president of her homeroom and has encouraged the students to support the activities of Paschal; because she has been active in the Penta Club.

KAREN HAUN—because of her willingness to perform any duty for the benefit of others and her friendly ways; because she was runner up for Sophomore Favorite and has been in the finals of this contest for three years; because she has been active in Allied Youth, Junior Classical League, Little Congress, Science Club, and Booster Club; because she has served as Alternate Cheerleader and Panther Mascot; because she was Secretary of the Student Service Council, Steering Committee, and the Student Body of Paschal.

MARGARET HARRISON—because she is one who has used her talents to the best of her ability in Paschal programs; because her friendliness has added to the enjoyment of everyone in her two years of senior high school; because she has belonged to the Red Cross; because she has performed for various charity groups.

GEORGE HORN—because he can be depended on to complete and do well any job assigned him; because he has added greatly in the music department with vocal talent and willingness to work; because he was active in Allied Youth, Student Service Council, and was an officer of Pan American Club; because he has excelled in baseball for three years.

HALLIE RUTH JACKSON—because she has given much of her time in helping others learn about various types of dance; because she has been active in Allied Youth, Pan American Club, and Girls Glee Club; because she has an unusual talent in ballet and modern dance; because she was chosen best homemaker of the year in the Betty Crocker contest.

Royal Purples

MARGIE MASSENGALE – because of her attitude toward shouldering responsibilities; because she has been selected from her homeroom to represent them for three years in the Junior Red Cross; because she has been a member of the Pan American Club; because she has been active in Allied Youth; because Margie worked in the office this summer without any compensation except the pleasure derived from helping others.

LYNDA McKEOWN – because of her compatibility with everyone; because she has been an influencing member of the Junior Red Cross, Science Club, Future Teachers, Student Service Council, and Pan American Club; because she was an officer of Little Congress this year.

PAULA RAMSEY–because of her exceptional ability in the field of science; because she has been a member of the Science and Pan Am Clubs for two years; because she was selected by her homeroom to represent them in the Junior Red Cross and was treasurer of that organization for two years; because she won second prize in a state poetry contest for Pan Am and entered five projects in the Science Fair.

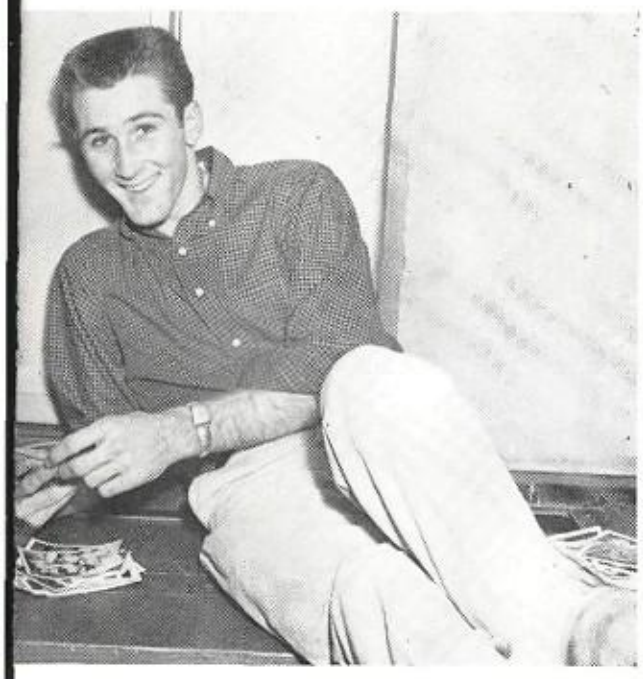
JOHANNE REPPER – because of her calm, assured way in dealing with fellow students; because she participated in the Penta Club and Junior Red Cross; because she was a sponsor of the ROTC; because she has contributed her time and energy for the benefit of Paschal's athletic program in being cheerleader; because she has been candidate for the Sports Follies' Queen for two years.

SUZY SAWYER–because of her interest and enthusiasm in the welfare of others; because she was secretary of her sophomore class; because she has been a congenial worker on the Student Service Council and Steering Committee; because she has been a member of Little Congress.

HETTA SHELL—because, even though she has been at Paschal but one year, her vivacious spirit and dazzling personality have influenced many into following her pattern of friendliness; because she has been active in the Pan American Club; because she was an alternate member of the Student Service Council.

INEZ TURLEY—because of her ability to lead talented musicians as concert mistress; because she has been a contestant in the city Piano Concerto Contest for three years and won first place in 1956; because she has been active in the orchestra and the music history and appreciation class; because she was concert mistress of the All-State orchestra.

JUDY SINCLAIR—because of the fame she and her talents have brought to Paschal; because she was master of ceremonies, musician, and vocalist regularly this fall on her own thirteen-week television show; because she has appeared on the Sports Follies for three years; because she has been on the Service Council for two years.



JOE BOB WISE—because his humor and originality have been transferred into delightful programs for Paschal; because Joe has worked on the Student Service Council and has been active in the Science Club and the Penta Club; because he took part in athletics by first being on the B basketball team and graduating to the A team for two years.

JIMMY WOODYARD—because he has helped the football team by taking detailed movies of their plays that were shown to them after each game; because he was a member of the Future Teachers and the Photography Clubs; because he helped with school mimeographing; because he has made a supreme effort to adjust to the school and its activities in the one year he has been at Paschal.

Student Service Council

The Student Service Council of Paschal High School, sponsored by Miss Alta-Beall Blanton, works throughout the year for the advancement of the principles of our Honor System: scholarship, courtesy, loyalty, and cooperation. The members, one representative and one alternate from each homeroom, take an active part in sponsoring the Steering Committee, publishing and selling Student Directories, taking orders for the Panther annuals, selling tickets for various school functions, acting as ushers and guides at Open House and during Public Education Week, and handling homeroom elections. The Council meets when it becomes necessary to solve student problems or student-faculty problems, and it has the task of upholding the ideals of the Honor System at all times.

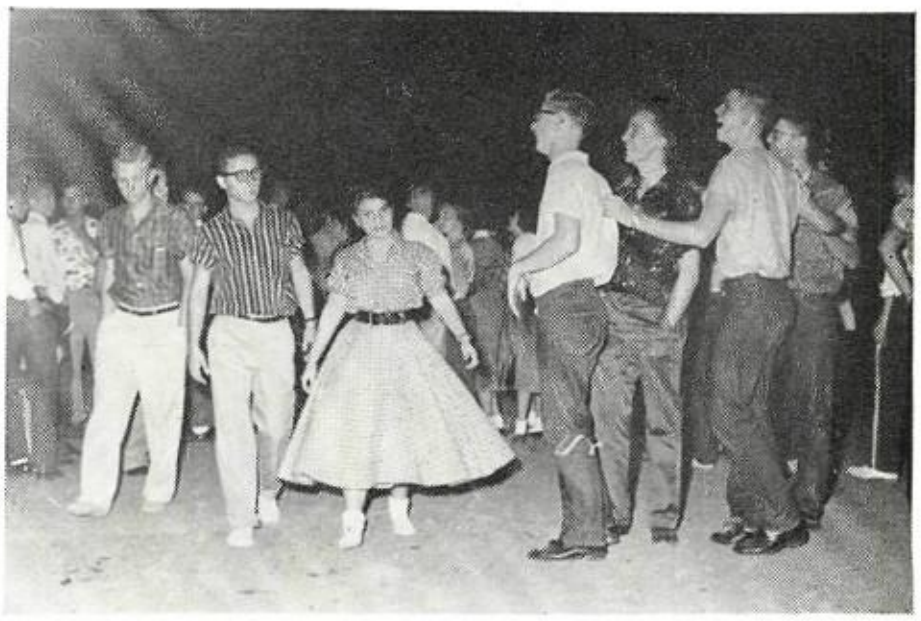
Student Service Council

The Steering Committee, in affiliation with the Student Service Council, has become an important organization to Paschal in directing its activities. The Committee's work begins early in the summer before the school year begins, as the junior and senior officers of the preceding year and the Student Service Council officers make plans for the activities to be presented to the Student Body. These activities include the presentation of the Honor System to the sophomores and new students, the Howdy Week and its program, the student sock hops, the Fish Day and its activities, the Ranch Day's program, and aid in various class activities. Later in the year the Student Body officers and the new sophomore officers become members of the Committee, and together they bring many problems before the Student Service Council.



"Ha! Ha! You'll never find 'em," jeers an attendant of the Student Council Sock-Hop.

STEERING COMMITTEE: *Row 1:* VEDDER, BAKER, HAUN, RYAN. *Row 2:* ANDERSON, WETSEL, BROWN, TURNER. *Row 3:* ZETHRAEUS, LEVISAY, MADDOX, LYND, BLOXOM. *Row 4:* WILSON, McFARLAND, WRIGHT, GURLEY.

Art Club members scrutinize their sponsored exhibit of Paschal's talent.

Art Club

With a goal of beautifying Paschal and bringing an awareness of beauty to Paschal, the Art Club, sponsored by Mrs. Beatrice Dunning, works continually to make our building more attractive. The members are mostly art students and have many interesting projects to fill their school year. They make trips to artists' studios, take field trips, have artists as guest speakers, and arrange exhibits in the halls of our building. These exhibits are presentations of students' work in the different media.

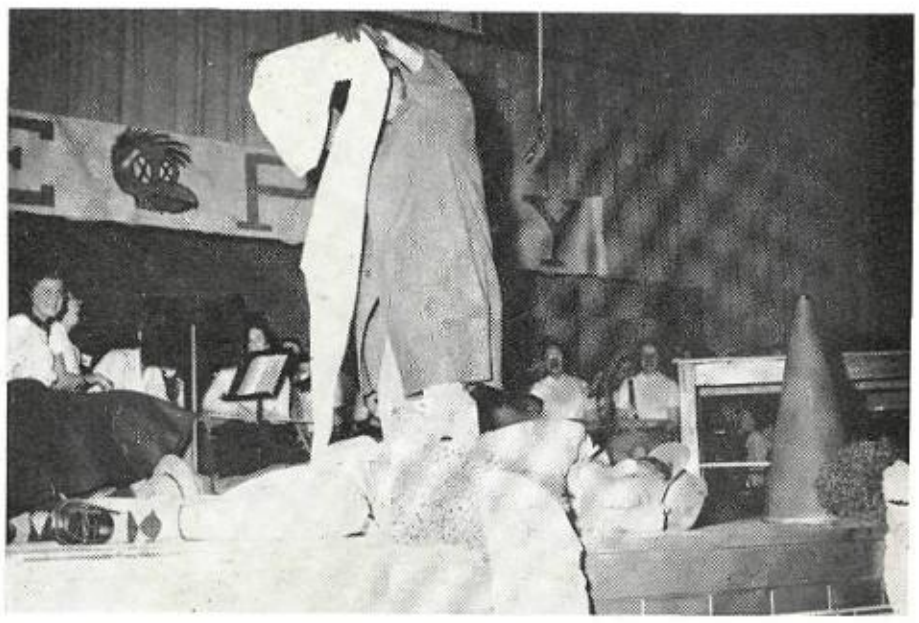
Booster Club

Pep rallies would not be complete without the work of Paschal's Booster Club. All decorations in the halls and in the auditorium of the school make all the school's activities more colorful. Members use their talents and time in preparing for Homecoming activities, Open House, and pep rallies. The nine members are chosen on application and willingness to work and are sponsored by Mrs. Adele Firkins, P. E. teacher. The Booster Club has a period each day in which to work on their projects.

"How do you spell it, anyway?" questions a Paschal Booster Club member busily painting banners for a pep rally.



"I knew I could get this poster paper away from him."

Bowling Club

Paschal's Bowling Club is under the sponsorship of Mr. Dobbs, and has become one of the most popular organizations in the school. The club is a branch of the American Junior Bowling Congress and meets weekly.

Teaching and developing skills in the sport of bowling, as well as fostering friendships through its activities, the Bowling Club participates in a Christmas tournament during the first semester. The second semester has members participating in the National Bowling Tournament which is held in March.

Chess Club

The Paschal Chess Club has been established at Paschal this year by a group of students interested in competition in the game of chess, and in furthering this popular pastime. Miss William Reid was chosen to counsel this organization and to be its first sponsor.

Friday mornings find invigorating games of chess in room 118, with patrons of the art busily competing. It is felt by club members that chess is most beneficial to the development of minds through the improvement of reasoning ability.

Distributive Education Club

Miss Nina Terry is the sponsor of the Distributive Education Club of Paschal. The members of this club include students who hold part-time jobs. The club supplies members with additional information and knowledge to enable them to excel in their present and future occupations. The program of the Distributive Education Club includes specialized training in the many phases of selling—wholesale, retail, and service.

Distributive Education holds the distinction of linking the occupation and education of the student together.

Future Nurses Club

When Mrs. Velma Eads, Paschal nurse, founded the Future Nurses Club three years ago, little did she realize that in a short time this organization would gain such popularity. It is now Paschal's largest club, numbering 124 members. Girls who intend to study nursing in the future have an excellent opportunity to become better informed in the various fields of nursing. They too learn of the schooling of nurses, the scholarships available, and schools specializing in this profession. They are also always ready to aid in charity drives within Paschal, realizing the important part of nursing such service is.

Future Teachers of America

The Future Teachers of Paschal was formed in the Spring semester of 1956 for the second time in ten years by Miss Mary Lee Thompson. With the purpose of enlightening students on the skills and training involved in school teaching, the F.T.A. has grown to be one of Paschal's largest and most active organizations. Its activities, besides regular monthly meetings, include an annual teaching day and attendance of limited members to the statewide convention in Denton in March.

The Future Teachers of Paschal participate in district and regional activities and elect a Mr. and Miss F.T.A. each year.

Junior Classical League

For the purpose of study and discussion of classical civilizations and the Latin language, the Paschal chapter of the Junior Classical League was established in 1918. Our chapter is a part of the national association. The club, under the sponsorship of Miss Anna Gardner, holds many social activities throughout the year as well as promoting interest in the study of Latin and of Ancient History. The students of Paschal are encouraged by the Junior Classical League to learn of the past, so that they may have a better understanding of the present and the future.

Latin-lovers should have paid their light bill.

Junior Red Cross Council

Paschal's Junior Red Cross represents the entire student body, as each representative and alternate is elected from his homeroom. The club meets regularly to discuss important projects such as packing gift boxes for the needy, overseas, and providing entertainment for the United States Public Health Service Hospital and Carswell Air Force Base. Sponsored by Mrs. Catherine Elliot, the Junior Red Cross offers excellent opportunity for the school.

Library Club

Aids to the library program at Paschal are the members of the Paschal Library Club. The purpose of the club is the promotion of the welfare of our school through suggestions and study of the library and its publicity program. This group is comprised totally of library assistants who know the organization of the library and are familiar with its functions. Its sponsors, Mrs. Ophelia Sparks and Miss Glenda Thomas, help guide the Library Club in its activities. They consider the interests of the students; the members of the Library Club help in working with new books and new methods, as well as new library projects.

Little Congress

The Little Congress is a girls' organization which met every Thursday in the fall with its sponsor, Miss Claudie Mae Workman, and now meets with Miss Mary Lee Thompson.

Originally organized as a debating club, "Little C" sponsors many activities during the year. These include an annual Progressive Dinner during the Christmas holidays, a banquet in late spring to announce the new president, the study of parliamentary law, several slumber parties, and aid to charities. Before being admitted for membership, the girls must present a monologue, poem, or other form of public speaking before the club.

Pan-American Club

The Paschal Spanish students, as well as any other interested students, enjoy on alternate Tuesday mornings a program and meeting involving Latin-American customs of life. Besides these meetings, each term the Pan-Am holds a banquet to which all members are invited. Talks by Latin-Americans, folk dances, and movies of travel in Spain and "South of the Border" are among the functions of this organization.

Each April the State Pan-American Association, sponsored by the Good Neighbor Commission, holds its annual convention in Austin. Paschal sends representatives who always represent their local chapter ably in state competition. This club serves well its purpose of bettering relations between our country and the Latin-American countries and familiarizing us with other countries and customs.

Senoritas love old Spanish dances, but each step brings a tired arm to these Senors!

Pantherette

Every other week Mrs. Margaret Caskey and her hard-working staff publish the Paschal *Pantherette*. This school newspaper is the result of many hours of conscientious and untiring work, and receives many awards for excellency in the field of journalism. This year the *Pantherette* received the highest award given by the N.S.P.A., the All-American, signifying that Paschal has the best publication in the United States.

The members of the staff publish news from all phases of student life, including activities of organizations, personalities, and inspiring editorials.

Penta Club

Among the worthwhile activities of the Penta Club is the distribution of mathematics honors at the end of each six weeks to those students who have qualified by making an A in their six weeks' math work. Also the Penta Club sponsors the slide rule class that is held in the spring before school by the sponsor, Miss Caroline Gaither. The members meet every other Tuesday to discuss the various phases of mathematics. For the student interested in this field, Penta offers an excellent opportunity for extra work.

Master math minds eagerly reach for ribbon rewards.

The Paschal Band Drum Major: WARREN WILLIAMSON.

Paschal Band

Much of the fine spirit dominating the Paschal student body is due to the excellent services rendered by the Paschal Band. Music for pre-games, football games, pep-rallies, parades and school affairs is furnished by this fine group. The purple and white that adorns these eighty-nine band members is familiar to all Paschalites who appreciate the fine contribution of this organization to the school. Colonel N. J. Whitehurst has served faithfully for many years as director of this award winning aggregation. Excellent facilities and equipment are supplied the Band which makes good use of it by supplying Paschal with much entertainment throughout the year.

Orchestra

The Paschal Music Department has been one of Paschal's indispensable parts of student activity. Under the direction of Miss Lois Ruth Mitchell, it tries to instill the appreciation of good music into Paschal's life by furnishing the orchestration and music for various programs and assemblies.

Throughout the year the Orchestra has presented many varied programs. Paschal was represented in the All-State Orchestra by nine musicians, who were placed after auditions. Other appearances of the Orchestra include the Christmas and Spring Concerts, P.T.A. programs, Open House, All-City High School Chorus and Orchestra Concert, Baccalaureate, and Commencement exercises.

Sextet

Selected for the ability to sing together, as well as for having a working knowledge of harmony, the Girls' Sextet has become one of Paschal's irreplaceable musical groups. The six girls and their three alternates are selected from the Mixed Chorus and Girls' Glee Club. They have entertained luncheon clubs, Woman's Club's organizations, the P.T.A., and patients at the United States Public Health Service Hospital.

Sextet: LYNDA CRAWFORD, FRANCES JACK, JUDY ROGERS, BETH HUNT, CAROLYN HUDSON, SHARON GRANT.

Members of the Music History and Appreciation class include Edwards, Dallas, Harwell, Bardon, Cusick, Leath, Brooks, Springer.

Music Department

One of Paschal's most interesting branches of its Music Department is the Music History and Appreciation class. During the school hours the class studies classical music, opera, and the composers of the famous classics. Each day the class discusses the current happenings in the world of music.

Sponsored by Miss Lois Ruth Mitchell, the class sports many activities, one of them being an annual outing to hear the Metropolitan Opera in Dallas.

The Girls' Glee Club is composed of first-year students and performs for numerous assembly programs, for the Open House, and during Education Week.

The Mixed Chorus has participated in assembly programs, competition for places in the All-City High School Chorus and Orchestra Concert, and has assisted in many special programs. The members appear in the Baccalaureate and Commencement exercises.

R.O.T.C.

Rifle Team members are, left to right: Thannisch, Hudson, McHam; back row: Crawford, Hayes, Wall, Cason.

The R.O.T.C. of Paschal High School has been one of the most well-known organizations in Paschal throughout the years, as well as being recognized as one of the best R.O.T.C. units in the city. The members, under the command of Sergeant Troy Singletary, are put through vigorous training, to be the army of the future. These boys join the Corps to receive training and experience, not only as officers, but as non-coms and Privates. The members learn to follow orders, observe military discipline and organization, and join military tactics.

The R.O.T.C. covers all phases of military life, including teams in Riflery and Drilling. The Battalion Commander competes for the post of All-City Colonel each year, and ten members of the Paschal Corps attend a R.O.T.C. Summer Camp at Camp Dallas in Mineral Wells, in June for four weeks. The R.O.T.C. also elects sponsors each year from the most qualified girls in the school.

The Roller Derby needs beauties like these Roller Skating Club members.

Roller Skating Club

Paschal's newest organization, the Roller Skating Club, was founded early this year by Herbie Harp and Chuck Woodard. Under the leadership of Mr. J. D. Cody, the club has built up the reputation of one of Paschal's most active new organizations.

Each Tuesday evening the members of this club meet at one of Fort Worth's roller rinks to learn the fundamentals of roller skating and to relax at one of their favorite pastimes.

Photography Club

The Photography Club was organized this year at Paschal by students interested in photography. Interesting and informative programs on all phases of photography, including table-top pictures, composition, portraits, and darkroom work, are presented at these meetings. Guest speakers such as professional photographers are often invited to participate in the meetings.

The club's activities include field trips to photographic laboratories and studios, and contests between members. Mrs. Beatrice Dunning is the sponsor of this organization, which meets once a week after school.

Learning the correct procedure for photography, these students put some light on the subject.

Pom Pom Girls

High-stepping and fancy footwork are the words used by Paschal students to describe the famous Pom Pom Girls. The thirty-six members, four of whom are alternates, are chosen from competitive try-outs. Assembly programs feature them to arouse spirit during the pep rallies, and they are one of the outstanding features during half-time at Paschal's football games. The Pom Pom Girls wear short purple skirts and white sweaters to perform their routines, even during the coldest weather.

Science Club

For those interested in science and in scientific development, Paschal offers an excellent opportunity for study, the Paschal Science Club. This organization is a branch of the Texas and American Academies of Science and is sponsored by all of the science department teachers with Miss Elveta Benson as head sponsor and director. Members participate in various scientific programs of the organization, as well as invite authorities to speak and show films on related fields. The club meets every other week to discuss various phases of science. Projects were entered this year in the City-Wide Science Fair with the winning exhibit and exhibitor attending the National Science Fair in California.

Vagabonds

The Vagabonds, organized in 1928, is under the sponsorship of Mrs. Miriam Todd. This organization is made up of the advanced speech students interested in a more extensive study of drama. Members get valuable experience through their various activities, the production of several one-act plays, and their annual three-act play presented in the spring. The Vagabonds choose their own scripts and do their own make-up. The Little Theater of Paschal has become synonomous with the name of the Vagabonds, since many of their plays are presented there.

Y-Teens

The Y-Teens, an organization for Paschal girls, is a branch of the Young Women's Christian Association. This club's purpose is to help develop characteristics enabling members to develop into a Christian adult, well equipped to meet individual responsibilities and willing to serve her community in many ways. The Y-Teens have guest speakers during the year to fill them in on a young women's obligation to society.

The Y-Teen's activities include slumber parties, luncheons, hikes, picnics, and an extensive charity program. These girls are sponsored by Mrs. Dorothy Landreth.

Football

For the first time in the history of R. L. Paschal High School, the "A" football team gained a berth in the quarterfinals of the state 4A play-offs. After dropping four of five of their pre-season games, the Panthers stomped through the district without a setback. The Purples then journeyed to Amarillo, where they stopped the Sandies 13-7 to win the bi-district. The following week Abilene downed a spirited Panther eleven 14-0 in freezing weather.

With ten lettermen returning next year, and a desire to follow the example set by the 1956 bi-district champs, the 1957 Panther team looks forward to a successful season.

PASCHAL BITES BULLDOGS 14-0

Paschal initiated the 4A-4 campaign by chalking up a 14-0 victory over Technical. The Panthers' big linemen limited the Bulldog offensive to a total of 74 yards, while the Purple running attack rambled for 298 yards. A Tech fumble on its own five-yard line set up the first Paschal counter. Quarterback Rodger McFarland made it over from that point. Climaxing a 34-yard drive, David Erwin skirted left end for the final six-pointer. Both Richard John's conversion attempts were successful.

PANTHERS TRIP POLY 20-6

A 93-yard kickoff return by Dan Gurley was the spark Paschal needed to parade past Poly's Parrots. The spectacular run came moments after Poly had knotted the count at 6-6 in the final quarter. The Panthers went on to sew up the game when Rodger McFarland sneaked over from the two-yard line later in the quarter. A pass from Gurley to end Cliff Justice accounted for the Purple's first touchdown. Richard John converted on two of his three extra-point attempts.

PASCHAL ELEVEN SHOCKS EAGLES 21-0

Playing the role of underdog to highly regarded Carter Riverside, Paschal staged an almost unbelievable display of power football to stun the Eagles 21-0. Combining swift stabs inside and lightning jabs outside, the Panthers kept the pressure on Carter the entire evening. Led by David Erwin and Dan Gurley, the Purple rolled up a whopping 336 yards. Paschal threw up a ferocious defensive, backboned by Roy Lee Rambo, which completely stymied the touted Riversiders.

PANTHERS OUTRUN HEIGHTS 47-33

The Purple and White clinched a bi-district playoff berth with a 47-33 victory over Arlington Heights in one of the wildest scorefests in the city's history of schoolboy football. The Panthers were paced by the elusive running of David Erwin and Dan Gurley, who combined their talents to score five of Paschal's counters. The Purple offensive machine scored six of the first seven times it took possession of the ball. Heights shaved the Paschal lead to one touchdown mid-way in the final period before an Erwin-to-Gurley pass put the game on ice.

PURPLE BLANKS STEERS FOR TITLE

The Paschal Panthers defeated the Steers of North Side 14-0 in their annual Thanksgiving Day game to earn themselves the undisputed 4A-3 football championship. All of the scoring was done in the initial quarter, and the remaining three periods developed into a tough defensive battle between the opposing lines. The Panthers struck for two quick touchdowns with halfback David Erwin accounting for both tallies. The fleet Erwin pulled in a Gurley pass for the first touchdown and galloped eight yards for the other score.

PASCHAL UPSETS SANDIES, 13-7

The revenge-seeking Paschal Panthers staved off a desperate second-half rally to become bi-district champions by the score of 13-7. Dan Gurley and David Erwin kept the Sandie defenses in a turmoil with their tricky pass-run options. Erwin plunged over from the two, while Gurley circled end for 23 yards to complete the scoring for the Purple. The Paschal defense, led by Gene Dozier, Roy Lee Rambo, and John Crow, repeatedly turned back thrusts by the powerful Amarillo team to enable Paschal to advance to the state quarterfinals.

ABILENE ELIMINATES PANTHERS IN STATE QUARTER-FINALS

A crowd of better than 10,000 chilled fans saw all-stater Glynn Gregory lead Abilene, defending state champions, to a 14-0 victory in a drizzling rain. Gregory was the difference. The 185-pound whiz proved unstoppable as he scored both Eagle touchdowns. The Paschal offense, which had been successful all season, could not dent the big Abilene line. Some consolation could be obtained by the fact that the Eagles were held to their lowest point in two years.

"B" Football

A strong force of boys from the four contributing junior high schools constituted this year's "B" football team. The Kittens stomped through the season undefeated, allowing their opponents a total of only 14 points. This record enabled them to win the city "B" team championship. A large portion of the success of next year's football team will depend upon the present "B" team boys.

Basketball

In his freshman year as head basketball mentor Bob Lee faced the task of rounding an inexperienced team into a district contender. The Panthers beat second-place Carter and third-place North Side, but hindered their record by letting up against the weaker teams in the city, to finish fourth. Paschal's basketball future is bright with five letterman returning next year.

"B" Basketball

The Paschal "B" basketball team completed the 1957 season with a successful district record of eight wins and one loss. This record enabled the team to finish second in the city behind Poly. The future Panthers lost only one non-district game. Outstanding performances from sophomores Howard Walsh, Jerry Carter, and Fred Rothermel sparked the team.

Baseball

The Paschal baseball team is one of the favorites in the 1957 city title race. With starters Bert Griffin and Cliff Justice back, along with several squadmen from last year's team, the Purple could very well repeat their June trip to Austin as 4A-3 representative in the state play-offs. Playing such respected teams as Abilene, the 1956 state champion, and Austin High School, the Panthers won 3, lost 3, and tied 1 in their pre-season schedule.

"B" Baseball

The "B" baseball team is made up of sophomores and serves as a laboratory for the boys to learn new techniques to better prepare them for the "A" team. The team has no regular schedule but does play several games during the season. Under the coaching of Wilson Gault, these boys will serve as the backbone for next year's team.

Track

This year Paschal's track team is eying the city meet with great anticipation. The boys have entered several non-district meets in preparation for the city. Already this year the Panther squad has brought home the team trophy from the Tarleton Relays. In this meet Mike Stell in the 100-yard dash and Roy Lee Rambo in the discus set new records in their events. Continuing the progress shown thus far, the Panthers expect to complete a successful track year.

Golf

The 1957 Paschal golf team will be competing for its eighth consecutive city championship. With lettermen Bill Jones and Arthur Hull returning along with sophomores Jack Montgomery and Harry Hoskins, the team seems destined for a successful season. The Panthers play in several pre-season tournaments before entering in the city meet. Mr. Bob Lee is the golf coach.

Tennis

Paschal is again represented in singles by Willie Wolff, the returning city tennis champion. The doubles team is sparked by Tommy Howorth who returns from last year. Because of the experience of the team, it is favored to take the city championship. Paschal started off the tennis season well by winning the Garland Tournament and placing second in the Wichita Falls meet.

Intra-Mural Football

The boys intra-mural program under the capable direction of Coach Charles Turner began the school year with an organized football program. The boys in each physical education period were placed on teams which played a round robin schedule for a two-month period. The winners of each period participated in an elimination tournament. The autumn program reached a climax in the last week of November. At that time the finalists of the football playoffs were decided.

Intra-Mural Basketball

The intra-mural basketball program was similar in organization to the football program. Each boy taking P.E. was selected to a period team which played a regular schedule. As in football the winners of each period played in a tournament to determine the intra-mural basketball champions. The winners completed their season by playing the men's faculty team before the student body.

Athletic Program for Girls

Paschal's athletic program for girls covers many fields of sports and dancing. Those students who care for outdoor sports enjoy tennis, archery, volleyball, baseball, and basketball. Interscholastic competition is held for the students who excel in tennis, archery, and volleyball. Folk dancing, modern dancing and rhythm are offered for those students who are interested in dance. Once a year folk dancers from each school attend a clinic at which they share their favorite dances. The modern dance and rhythm girls participate in numerous programs, but their major production is the Sports Follies.

Skilled instructors in all fields have made a supreme effort to give the girls a well-rounded physical training curriculum.

SINGLES—Carolyn Hill (standing)
DOUBLES—Mary Patterson and Sarah Hickey

Each year three girls are selected from the tennis team to represent Paschal in the city tournament. The three representatives who composed Paschal's team this year were Sarah Hickey, Mary Patterson, and Carolyn Hill. This spring the tournament took place during the week of April 1-5.

Sophomores, Sarah Hickey and Mary Patterson, made up the doubles team, which gave a fine showing by defeating Northside in the first round; however, the girls ran into trouble in the second round and were narrowly defeated by Arlington Heights. Carolyn Hill, outstanding tennis player from Paschal and member of the Junior Tennis Club of Fort Worth, defeated Poly, Carter, and Arlington Heights to become City Champion, and earned the right to represent the Fort Worth District in the Regional tournament at Stephenville April 12-13.

Tennis coach Ju Laine Hale predicts many sophomores and juniors to offer heavy competition for the tournament next year.
